

This is the MaxQuant Freeware Software License Agreement, which applies to all software products available for download from the MaxQuant website(s), unless labeled as something other than freeware. All software available for download via the MaxQuant website(s) are copyright Max-Planck Institute of Biochemistry, Computational Systems Biochemistry unless otherwise stated. Copyright law protects this software program and any associated material. Max-Planck Institute of Biochemistry, Computational Systems Biochemistry retains title to and ownership in the copyright of the software program and the associated materials. This software is not provided as public domain software.

Freeware License Rights: All software products available for download from associated website(s), unless labeled otherwise, are provided as freeware. Freeware products are provided free of charge. Freeware software may be used as many times as you like, for as long as you like. You may copy and distribute copies of this program provided that you keep this copyright notice and disclaimer of warranty intact, and recipients must be bound by the terms therein. You must not charge money or fees for the software product to anyone except to cover distribution costs. The copyright holder reserves the right to reclassify this software as a non-freeware product at any time (i.e. shareware, licensed royalty software, or public domain). Doing so will not modify the license agreement of previously distributed executables.

Warranty / Liability / Damages: This program is provided “as is” and has not been fitted especially to Licensee’s purposes and comes with limited warranty and liability. Licensors do not provide any support for the Software. Because this Software License Agreement qualifies as a donation, according to Section 521 of the German Civil Code (Bürgerliches Gesetzbuch – BGB) Licensors as donors are liable for intent and gross negligence only. If the Licensors fraudulently conceal a legal or material defect, they are obliged to compensate the Licensee for the resulting damage. Licensors shall be liable for loss of data only up to the amount of typical recovery costs which would have arisen had proper and regular data backup measures been taken. For the avoidance of doubt Licensors shall be liable in accordance with the German Product Liability Act in the event of product liability. The foregoing applies also to Licensor’s legal representatives or assistants in performance. Any further liability shall be excluded. Patent claims generated through the usage of the software cannot be directed towards the copyright holders.

Technical Support: Technical support may be provided via e-mail and/or website postings. While every effort is made to provide timely technical support no guarantees whatsoever are implied that technical support will be provided or that technical support, when provided, will be accurate. Software offered on this site is basically unsupported and supplied on an as-is basis unless you have obtained a specific maintenance contract agreement with the copyright holders.

Code Distribution: You may not modify, adapt, translate or create derivative works based upon the software. You will not reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the software except to the extent you may be expressly permitted by copyright holders.

Agreement: By using our software products you are automatically agreeing to and show that you have read and understood the terms and conditions contained within this Freeware Software License Agreement. This Freeware Software License Agreement is then effective while you use and continue to make use of these software products. If you do not agree with our Freeware Software License Agreement you must not use our software products - this Freeware Software License Agreement will then not apply to you. This Freeware Software License Agreement is subject to change without notice.

Any company names, logos, trademarks and product names mentioned or shown on associated website(s) or in software products may be copyrighted, trademarked or registered trademarked by their respective owners.
